

**UCONN/CRA Workshop**  
**May 18, 2020**  
**9:00-11:30am**  
**Agenda**

**1. Introduction (15 min) (Candida Flores & Doug Brugge)**

- a. Welcome and history of workshop proposal
  - i. Department commitment
  - ii. CRA evolution and commitment
- b. Goals of workshop/training
- c. Order of activities (including the introduction of facilitators)

**2. Participant intro (30 min) (Chavon Hamilton)**

Each participant will share the following: (keep to about 3 minutes)

- a. What department or organization they represent and its commitment to research
- b. Area(s) of interest held or desired to pursue
- c. Why community based collaborative research is useful and important
- d. What experiences/projects they have been involved in the past (if any) – simply identifying that you've had them, list these and ask folks to elaborate in question 3
- e. Perceived needs and constraints in collaborative research (faculty and organizations)

**3. Lessons learned from prior experiences (based on survey responses) (35 min) (Candida Flores and Doug Brugge)**

**4. CRA Partnership Guidelines (30 min) (Jay Schensul)**

**5. Moving forward exploring: (20 min) (Steve Schensul)**

- a. Current efforts by participating faculty and organizations
- b. Seeking and creating opportunities for or expanded collaboration

**6. Closing (10 min) (Doug Brugge and Candida Flores)**

- a. Next steps with interested partners
- b. Specific suggestions for future workshops
